

Billings County Tax Information – Annual Property Information

Field code descriptions for the annual Tax Roll export, beginning with year 2021.

FIELD	FIELD DESCRIPTION
ParcelID	Parcel Identification Number
GISID	Geographic parcel number (not used in Billings County)
SectionNumber	Section number in the public land survey system
TownshipNumber	Township number in the public land survey system.
RangeNumber	Range number in the public land survey system.
OwnerName	Owner of record for the parcel. If there is more than one owner then ET AL will be placed after the name.
OwnerMailingAddress	Mailing address field for OwnerName
OwnerCity	City field for Mailing address fields for OwnerName
OwnerState	State field for Mailing address fields for OwnerName
OwnerCountry	Country field for Mailing address fields for OwnerName
OwnerZip	Zip field for Mailing address fields for OwnerName
OwnerZip4	OwnerZip plus 4 digit code
LegalDescription	Legal description for the parcel
DeededAcres	Deeded acres of the parcel
PrimaryParcelUse	This is a calculated field based on the primary assessment
AgricultureLandValue	True and Full Value for agricultural assessment.
ResidentialLandValue	True and Full Value for residential land.
ResidentialStructureValue	True and Full Value for residential structure.
CommercialLandValue	True and Full Value for commercial land.
CommercialStructureValue	True and Full Value for commercial structure.
TotalValue	True and Full Value for the assessment year. In North Dakota, True and Full Value for residential and commercial properties is an estimate of market value. For agricultural properties, True and Full Value is an estimate of its agricultural value based on the soil productivity of the parcel.
TaxableValue	Taxable Value for the parcel. In North Dakota, Taxable Value is equal to 9% of the assessed value for residential property and 10% of the assessed value for commercial, agricultural, railroad, pipelines, and utility properties. The Taxable Value is an aggregate of the individual taxable values associated with a parcel.
EstimatedTax	Estimated Tax for the current year based on the mill levy
TaxRollYear	Assessment Year
